I fear death by violation of my sovereign
will: Inability to (mis)norm by desire of
another's contradicting & explaining without
plain & incentivizing Truth, trust,
transparency & enough connection to
endow equity in all endeavors of
consent.

I am vaccine prejudice... cause I
fear death... I am vaccine accepting
cause I encourage a death ~~plan~~ authentic
culture. Regg culture. We have to give
love to the people we ~~think~~ deserve
it the least.

I'm going to communicate my fears, curious
ideas, perceptions, values & desires.
